Beyond Organic.

This product is a chemical free soil conditioner that is fully organic that provides the following benefits to your plant & its surrounds:

1. Increases root depth
2. Disease suppression
3. Increases root mass
4. Raises pH
5. Improves soil health
6. Reduces salt
7. Full of trace elements

It can be used with non-potable water & has a 4-year shelf life. With continual use to improve the condition of your soil, Beyond Organic will reduce the amount of chemicals required to protect your grass.

Mountain Green™ Bermudagrass

Application Rates. 125ml per 100m² or 2 litres per rai.
Greens - 50:1 Use 6 litres of water per 100m²
